MESSAGE FROM THE PRESIDENT

It is a great honour, as President of Castlewarden Golf Club, to express my very best wishes to all the members for the coming year.

I look forward to working in partnership with our Captain Vincent Hendrick, Lady Captain Deirdre Sheehy, and Junior Captain Sean Glynn in the coming year and wish them all the very best in 2020. We all wish our club teams good luck and success in Provincial and National competitions.

On behalf of the members I want to thank Glen Pearson and his staff for consistently presenting our course in excellent condition ensuring that we have one of the best tests of golf in County Kildare. Please introduce your golfing friends to the course and afterwards to a meal in the restaurant run to a very high standard by Karl Slattery and his staff.

I would like to pay tribute to our Head Professional Brian O'Brien and his assistant Professional Colm Dunne who give an excellent service to members and visitors alike. They deserve our full support.

Our office staff Colette and Philippa are most helpful to the members, on your behalf I wish to thank them sincerely.

May I wish all our members good health and enjoyable golf in the coming season.

MESSAGE FROM THE CAPTAIN

I am honoured to be your Captain for the year 2020. This is our 30th anniversary year and we have come a long way from our humble beginnings in 1990. It is heartening to see so many of our original members still gracing the fairways of Castlewarden Golf Club today. I thank outgoing Captain David for inviting me to this role and to you, the members, for electing me to be your Captain for 2020. I will represent Castlewarden to the best of my ability in the year ahead.

I look forward to working with my own Men's Committee and extend my best wishes to Lady Captain Deirdre, President Bob and Junior Captain Sean and their committees in their work over the coming year. Best wishes also extend to our Golf Professional Brian, his assistant Colm and the office staff Colette and Philippa who do invaluable work in the running and promoting of our club. We will continue to enjoy the excellent food offerings and friendly service of our caterer Karl and his team.

From May 19th to 22nd we will be hosting a major GUI competition The Irish Seniors Amateur Championship. This is a prestige event and will raise the profile of our golf course which is expertly maintained and developed by Glen Pearson and his team under the stewardship of our Management and Course Committees. They will have our continued support in 2020. To facilitate you, our members, we will hold an away day on the Wednesday 20th May at a nearby venue.

Continuing with the competition theme we are building on our inter club teams' success in 2019 and I encourage all our members to put yourselves forward to be included on the team panels during 2020. This is a great way to meet fellow golfers and to begin new friendships in our club.

We have a number of projects in the pipeline to improve our facilities so that we will continue to be proud of our club. As members and indeed ambassadors of our club I encourage you to bring your family, friends, neighbours and work colleagues to visit Castlewarden. Give them a taste of our "friendship in golf" atmosphere and encourage them to become members.

I thank all our sponsors new and old for their support in assisting the continuous improvement of Castlewarden Golf Club. Your assistance is greatly appreciated. I wish you all a year of success in our friendly members' golf club that is Castlewarden and look forward to playing with many of you throughout the year.

Vincent Hendrick

MESSAGE FROM THE LADY CAPTAIN

I am honoured and privileged to be your Lady Captain for our 30th Anniversary in 2020. I will do my utmost to represent our club throughout the year. I also want to thank my committee for their time and assistance and I look forward to working closely with them.

I greatly anticipate working with President Bob and Captain Vincent to make 2020 another great year in the development of Castlewarden Golf Club. I would also like to wish the best of luck to our Junior Captain Sean Glynn and all of our Junior members over the coming year.

We can be very proud of our course and open days can be a great opportunity to show it off. Therefore I encourage you to invite your friends to play and afterwards enjoy the fine cuisine provided by Karl and his staff.

To Glen, his staff and our course committee who have worked so hard over the past number of years to bring the course to the magnificent standard that we have today, well done and thank you.

I thank Brian O'Brien our professional and Colm Dunne for all their help and assistance to Ladies golf. I look forward to your continued support and encouragement in 2020.

I wish to say a special thank you to all of our sponsors, and would encourage our Ladies to support all our sponsored events. I also want to extend a warm welcome to all of our new Lady members and I wish you all the best throughout your membership of Castlewarden Golf Club.

Finally, I hope you all have a pleasurable and healthy year in golf in 2020.

Deirdre Sheehy

MESSAGE FROM THE JUNIOR CAPTAIN

I am honoured to have been chosen as Junior Captain for 2020. I am looking forward to working with Captain Vincent, Lady Captain Deirdre, President Bob, the committee members, and you the members to make this another excellent golfing year.

I would like to offer my thanks to last year's Junior Captain Daragh Campbell for his excellent work in 2019. I would like to also thank Joe Robinson and Brian O'Brien for all their work over the last year and I'm looking forward to making this year as successful as the years gone by.

Please keep an eye out for the updates about competitions, lessons and interclub matches throughout the year. I am looking forward to playing with you all.

Finally, I would like to wish Captain Vincent, Lady Captain Deirdre, President Bob and the whole club the very best of luck in the upcoming year.

Sean Glynn

Handicapping The Player's Obligations (Men)

1. A player is entitled to only one handicap, which must be allotted and adjusted by his home club. **In Ireland a Home Club is usually the club at which he plays most of his competitive golf.**
2. To obtain a handicap you will need to submit sufficient cards to provide scores for 54 holes of golf, which must be 9 hole or 18 hole scores marked and signed by a playing member of the home club.
3. Players must ensure that *all cards in Qualifying Competitions whether or not complete*, are returned.

A Qualifying Competition is a single strokes, par or stableford competition played with full handicap allowance over 9 or 18 holes for which a *Competition Scratch Score* (CSS) has been calculated.

4. Players must report to their home clubs,
 - (a) All away scores, including “non returns”, in Qualifying Competitions, together with a note of the Competition Scratch Score.
 - (b) All Society golf scores which equal or better the SSS (Standard Scratch Score), together with a note of the SSS and
 - (c) All scores other than (b) above in non-qualifying competitions eg classics and similar team events, **fourballs, foursomes, and match play competitions.**

The Rules of Golf Etiquette

1. The courtesy of procedure on the course is given to the Captain, President and Lady Captain.
2. No one should move, talk or stand close or directly behind the ball or the hole when a player is addressing the ball or making a stroke.
3. The player who has the honour should be allowed play before their opponent or fellow competitor tees their ball.
4. No players should play until the players in front are out of range.
5. In the interest of all, players should play without delay.
6. Players searching for a ball should signal the players behind to pass as soon as it becomes apparent that the ball will not easily be found. They should not search for five minutes before doing so. They should not then continue to play until the players passing through are completely out of range.
7. Players should ensure that, when dropping bags or the flag stick, no damage is done to the putting green. They should also ensure that no damage is done to the hole when handling the flag stick. The flag stick should be properly replaced in the hole before players leave the green.
8. When the play of a hole has been completed players should immediately leave the putting green.
9. Players should ensure that all pitch marks are repaired and carefully smooth over any holes or foot prints before leaving a bunker.
10. To avoid any damage to the teeing areas players should take any practice swings to the side of the teeing area at a safe distance from their playing partners.

11. If there are no caddies on hand it is your responsibility to tend the flag stick whenever your ball is closest to the hole. Please ensure that you do not step or walk across any other players putting line. Stand well to the side of the flag stick ensuring your shadow doesn't interfere with the intended path of the upcoming putt. Hold the flag itself against the flag stick to ensure it doesn't flap in the wind and distract the player putting. Loosen the flag stick to ensure it won't stick when you attempt to remove it.
12. Never leave your trolley in front of a green, instead take it to the back or the side. This will speed up play when you are finished putting out.
13. Try to keep the putting surface around the hole as smooth as possible for everyone by not using your putter as a crutch when retrieving your ball from the hole.
14. Be aware of other players addressing their ball or taking a shot and ensure that you do not make any noise or movement which may distract them.
15. Never allow your shadow encroach on another player's field of vision when they are preparing to swing or making a shot.
16. You should always leave the course in the condition you found it. Always repair pitch marks. Always replace divots. Always rake and smooth over bunkers before you exit them. Do not be restricted to repairing your own damage.

RECOMMENDATIONS FOR AVOIDING SLOW PLAY

1. Be ready to play at least 10 minutes before your appointed time.
2. Do not waste time on tee boxes. Have your club, ball and tee ready for when your turn comes to play.
3. Ask your partners to keep an eye on your ball and note its approximate landing area.
4. On the fairway, have your club selected and your shot lined up while your partners are playing their shots, if possible.
5. Park your clubs or caddy car at the exit side of the green for easy access for the next tee.
6. In Foursomes be on the green ready to putt if needed.
7. When it is obvious you have lost the hole or cannot score pick up your ball to avoid delay.
8. Do not mark cards on the green. Mark them at the next tee box.
9. If you are playing slowly or holding up the following group, let the players behind play through. This will avoid frustration all round.
10. **Remember that your position on the course is behind the players in front and not in front of the players behind.**
11. If there is a chance a ball may be out of bounds or lost play a Provisional ball.

Priority on the course

Provided in all cases that there is room ahead on the course...

1. Priority on the course is determined by a group's pace of play.
2. Any group playing a whole round is entitled to pass through a group playing a shorter round.
3. Slow players must give way to faster players.
4. Priority should be given where practical to players playing official match play.

Course staff and machinery have priority on the course however they will give way where appropriate.

Players should not play from blue tee boxes without specific permission.
